

**DREAMBOX**

DREAM ON 3

Every DreamBox delivery has a bright smile that follows. Our Dream Kids love the surprise and the joy it brings!

## THE PROGRAM

The DreamBox program is an amazing way to become directly involved in our mission. By “adopting a Dream Kid” from this community, your company and employees will be able to experience the joy of putting huge smile on the faces of kids living with a life-altering condition. Your team can have fun personalizing a box that will be hand-delivered directly to their home or hospital room.

*\*We will use photos and video provided by companies as well as any captured by Dream Families to share these stories on our website and social media.*

## DREAM ON 3

Dream On 3 is a non-profit organization headquartered in Charlotte, NC. We create sports-themed experiences for those, ages 5-21, who are living with a life-altering condition.

These sports dreams come to life by customizing V.I.P. experiences with a favorite athlete, sports team, or sporting event. The life lessons gained through sports such as teamwork, dedication and perseverance, are essential to our Dream Kids who are battling the everyday challenges of their conditions.

## SPONSOR A DREAMBOX

- Dream On 3 will match you with a Dream Kid and will provide guidance on their interests so you can easily fill your box.
- Your company will receive recognition on our website and social channels. Additionally, we will work with local TV and news partners to tell these stories.
- Once your box is complete, Dream On 3 will handle the delivery of your box.

For more information, contact us at (980) 322-0984 or reach out to our Dream On 3 team in your area:
